Mr. Harold Quinton
Chairman of the Board
Southern California Edison Company
P. O. Box 351
Los Angeles 53, California

Dear Harold:

Thank you very much for your letter of
October 25th.

You are correct in your assumption my
new responsibilities foreclose me from serving
on any Boards and for that reason I resigned
from the Banks, Pacific Mutual, Standard Oil
and TWA. However, I wish to assure you,
Harold, that I do appreciate your consideration
of my serving the Edison Board.

Best personal regards,

/S/ John

CHAIRMAN OF THE BOARD

October 25, 1961

Mr. John A. McCone

Dear John:

I endeavored to reach you on the telephone during your brief trip through Los Angeles last weekend, but was operating from a duck club in the North and was unsuccessful.

The immediate purpose of my call was to inquire concerning the prospect of your membership on the Edison Board in the light of your more recent undertaking. Frank and Asa have told me of the submission of your resignation from their respective Boards, and I therefore assume under the circumstances that we would experience the same character of misfortune.

We should probably do something to fill our vacancy soon as I do not like to have an officer serve in a temporary capacity more than a few months which is the present situation, as I believe I advised you.

With best regards.

Sincerely,
